In the spirit of Christmas, giving doesn’t always need to be money! We can give by praying for others, writing cards or letters, smiling and asking others how they are doing, baking cookies to share! There are so many ways to give love to those around us!

**PCA students in grades K-8 are tasked with a special assignment this Christmas & New Year Season!**

**Mission:** To bless the children at Heart to Heart Education in Uganda

**Assignment:** PCA students will be matched with a Heart to Heart student and should:

1.) **Pray** for your Heart to Heart student daily (hang their picture on your fridge or in your room to help remind you to pray for them)

2.) **Write a letter** to your Heart to Heart student. The letter should introduce yourself, tell them a little bit about your life and then ask them about their life and share something encouraging (bible verses, tell them you are praying for them.)
   a. Letters can be handwritten or typed on computer paper if possible. Students are encouraged to draw a picture at the bottom of their letters.
   b. **Letters are DUE back to Technology class the week of January 6th**

   *It is more blessed to give than to receive! Acts 20:35*
